POLICIES

- Credits from internships cannot be used to satisfy requirements of the Business Fundamentals minor.
- Courses designed for students pursuing this minor can be found in the Business Administration (BADM) course description section of the Catalog.
- Non-Business majors may attempt no more than 18 credits (approximately 6 courses) of 3000/4000-level coursework offered by the School of Business, which includes work transferred in as equivalent to courses offered by the School of Business. View the University Catalog for additional details.
- Students may use the online permission number request form when unable to self-enroll in a course used for the minor, noting all pre-requisites must be met to be granted permission to take a course.
- Unless a higher standard is noted in the description of a specific minor program, completion of a minor requires that a student earn a “C” (2.0) grade or better in each of the required courses for that minor.

REQUIREMENTS

To receive a minor in Business Fundamentals, a student must complete five (5) three credit courses offered by the School of Business. Courses other than ACCT 2001 and BADM 2101 (formerly offered as BADM 2710) or ACCT 2101 must be at the 3000/4000 level. Students must complete five classes from at least four of the following subject areas: ACCT, BLAW, FNCE, HCMI, MENT, MKTG, and OPIM. Classes taken as BADM will count toward the corresponding subject areas of their equivalent course.
