

Students are ultimately responsible for ensuring all degree requirements are met.

- Refer to the **Undergraduate Catalog** for course descriptions and details for all requirements, including alternate MATH and ECON selections. (catalog.uconn.edu)
- Refer to the **School of Business website** for recommendations, FAQs, and other helpful information. (undergrad.business.uconn.edu)
- All students should regularly run their **Standard Advisement Report in StudentAdmin** to monitor progress towards degree requirements. Graduating students are encouraged to submit their **final plan of study through StudentAdmin** once they have completed registration for their final term, or at the latest, within the first two weeks of their final term, to allow for time to make adjustments to their schedules if necessary. SAMPLE SEQUENCE FOR FIRST TWO YEARS

This includes some space for 3000-level Business courses that are open to Business students with sophomore standing (see page 2). Note that these courses are not necessarily required to be taken in the second year to stay on track (Accounting majors should plan to take both ACCT 2001 and 2101 in their second year). Some 3000-level Business courses have criticals as prerequisites, so if a student plans to take them early, it will likely require an adjustment to the critical sequencing. The student should discuss their plan with an Academic Advisor.

First Semester

A "Q" Critical (MATH or STAT)
Another Critical (ENGL¹/ECON)
Gen Ed
Language/Elective
UNIV 1800/1810/1784 (1 credit)

Second Semester

Gen Ed
Language/Elective

Third Semester

ACCT/BUSN 3005^A (1 credit)
MATH or STAT or ACCT 2001
Remaining Critical
Gen Ed
Language/Elective/Business

Fourth Semester

BUSN 3005^A (if not already done; 1 credit)
ACCT 2001 or other Business
Remaining Critical or Gen Ed
Gen Ed
Language/Elective/Business

¹Students who place into ENGL 1003/1004 can use those credits as elective credits as they work their way up to completing ENGL 1007/1010/1011. ^AACCT 3005 is only offered in Fall terms and required for all Accounting majors. BUSN 3005 is generally offered Fall & Spring terms and required for all non-Accounting majors.

Required Elective Courses: A degree in business requires a minimum of 120 credits. At least 60 of the 120 credits must be from non-business subjects. Requirements on page 1 & 2 of this document do not add up to 120, so students must integrate additional elective credits to meet the minimum 120 total credits.

Scholastic Standing Requirement: All students in the School of Business are held to Scholastic Standing Requirements as written in the Undergraduate Catalog, which outlines cumulative, term, and Business GPA requirements, and requires all critical courses to be complete by the end of the student's fourth term.
