*Business Core can be taken in any order, and are indicated with an asterisk in the list below

BUSN 3005 and 3004W: Take as early as possible, preferably in sophomore or junior year.

FNCE 3302: Suggested for the 6th semester, required for students interested in applying for the Student Managed Fund.

Courses open to Sophomores: Many 3000-level courses may be taken prior to the fifth semester if open and available. Confirm pre-requisites for each course in the [catalog](#).

^RResidence Requirement: 12 of the 18 credits (four of the six courses) used to satisfy required major courses, and any courses used to meet the optional concentration requirement must be taken in residence at the University of Connecticut. At least 50% of the business credit hours required for the business degree must be earned while a student at the University of Connecticut. At least 24 credits in 3000/4000 level courses including MENT 4900 and BUSN 3004W must be earned at the University of Connecticut, including no more than three independent study credits and three field study internship credits. Education Abroad courses may not be used to meet this requirement.

Students in UConn Honors Program: Honors in the Major requires 15 honors credits including a designated honors section of MENT 4900 and honors thesis course (BUSN 4897W or FNCE 4997W). Students submit a preliminary honors plan of study with these courses included early in their Junior year. More information at [s.uconn.edu/BU-honors](https://uconn.edu/BU-honors).

GPA Rule for Graduation: A minimum cumulative 2.0 GPA in all major courses, all Business courses, and all graded courses is required for graduation. See catalog for details.

Please choose appropriate Page 1 to follow based on your requirements

New UConn students who begin at UConn summer or Fall 2025 (or later) follow **Common Curriculum Requirements** and should plan with “Business Common Curriculum Requirements Page 1.”

Continuing UConn students who begin at UConn Spring 2025 (or earlier) can continue to follow the **General Education Requirements** and can plan with “Business Gen-Ed Requirements Page 1” OR, may opt to advance their **career requirement term** (previously known as “catalog year”) to the Common Curriculum Requirements and follow “Business Common Curriculum Requirements Page 1” with no impact to major requirements (because the **program requirement term** will not change). Details on this change are found at this link: undergrad.business.uconn.edu/academics/cc-gen-ed/

Students are ultimately responsible for ensuring all degree requirements are met.

- Refer to the **Undergraduate Catalog** for course descriptions and details for all requirements, including alternate MATH and ECON selections. (catalog.uconn.edu)
- Refer to the **School of Business website** for recommendations, FAQs, and other helpful information. (undergrad.business.uconn.edu)
- All students should regularly run their **Standard Advisement Report in StudentAdmin** to monitor progress towards degree requirements. Graduating students are encouraged to submit their **final plan of study through StudentAdmin** once they have completed registration for their final term, or at the latest, within the first two weeks of their final term, to allow for time to make adjustments to their schedules if necessary. (kb.uconn.edu/space/SAS)

SAMPLE SEQUENCE FOR FIRST TWO YEARS

This includes some space for 3000-level Business courses that are open to Business students with sophomore standing (see page 2). Note that these courses are not necessarily required to be taken in the second year to stay on track (Accounting majors should plan to take both ACCT 2001 and 2101 in their second year). Some 3000-level Business courses have criticals as prerequisites, so if a student plans to take them early, it will likely require an adjustment to the critical sequencing. The student should discuss their plan with an Academic Advisor.

Fourth Semester

BUSN 3005^A (if not already done; 1 credit)
ACCT 2001 or other Business
Remaining Critical or TOI course
TOI course
Language/Elective/Business

^AStudents who place into ENGL 1003/1004 can use those credits as elective credits as they work their way up to completing ENGL 1007. ^AACCT 3005 is only offered in Fall terms and required for all Accounting majors. BUSN 3005 is generally offered Fall & Spring terms and required for all non-Accounting majors.

Required Elective Courses: A degree in business requires a minimum of 120 credits. At least 60 of the 120 credits must be from non-business subjects. Requirements on page 1 & 2 of this document do not add up to 120, so students must integrate additional elective credits to meet the minimum 120 total credits.

Scholastic Standing Requirement: All students in the School of Business are held to Scholastic Standing Requirements as written in the Undergraduate Catalog, which outlines cumulative, term, and Business GPA requirements, and requires all critical courses to be complete by the end of the student's fourth term.
